

## EASIT at the New European Media NEM Summit 2019

The NEM Summit is an international conference and exhibition, organized since 2008 by the NEM Initiative for all those interested in broad area of Media, Content, and Creativity. Over the years, the NEM Summit has grown to become an annual not-to-be-missed event, providing attendees with a key opportunity to meet and network with prominent stakeholders, access up-to-date information, discover latest technology and market trends, identify research and business opportunities, and find partners for upcoming EU-funded calls for projects. This year the summit took place in Zagreb on 22<sup>nd</sup> and 23<sup>rd</sup> May.

EASIT was presented along another ERASMUS+ project LTA in the session dedicated to Media Accessibility on Thursday May 23<sup>rd</sup>. Rocío Bernabé leader of the project LTA from SDI Munchen (Germany) and partner at EASIT led by Anna Matamala (UAB) presented the many funded EU projects focused on training under the ERASMUS+ action, and in particular EASIT.
